Dear Mr. Burke;

Since being introduced to your T.V. show, I have become an avid viewer, However, I have been trying to obtain copies of two books that were discussed on your Saturday night segments but have not met with much success. The books are entitled "Whitewash" by Mr. Hesseberger and "Spoiled Priest" by Gabriel Longo.

I would appreciate your sending me any information that could lead to my obtaining these two books - also the cost.

Sincerely
Mrs. Ernest Messer
